

there	their	they're	there's	theirs
<p>location in that location at that place on that point in that respect</p>	<p>ownership belonging to them</p>	<p>contraction for they are</p>	<p>contraction for there is</p>	<p>that which belongs to them</p>
<p>She is there now. We went there last year. He stopped there for applause. Well, hi there!</p>	<p>Someone left their book on the table. Did everyone bring their lunch? I saw their new cat.</p>	<p>The team is ready. They're the best team in town. The family is in the car. They're going to the park.</p>	<p>There's the school we were looking for. There's a dog in that car.</p> 	<p>Theirs is the largest house on the street. Are you a friend of theirs? Is it theirs? Did everyone bring their thinking caps today?</p>
