

Name \_\_\_\_\_

When two vowels are next to each other, the rule is, the first vowel does the talking and the second vowel is quiet.

Some vowel digraphs: ai ay ee ea oa oe **ow** ie ui ue

The vowel digraph **ow** sometimes has the long sound of the vowel Oo. Below we will work with a homonym (homophone) team that has the long Oo sound.

Directions: Read the example sentences using “no” and “know.” Then fill in each blank with the correct word.
