

This work belongs to _____

Every sentence has a predicate. The predicate of a sentence tells what someone or something does. In some sentences, it tells what the subject is or has.

Directions: Write the predicate for each sentence below. Use the predicates in the word bank to help you.

_____ is a big mammal. _____ is my brother. _____ ran in the doghouse.
_____ quacked all night. _____ went to school today.

A whale

My sister

The duck

One dog

Jeff
